

Honorable Mary C. Evans

Amanda is Judge Evans' Assistant - 941-833-3033

Access to JACS is for your use in finding available dates for hearings. All hearings must continue to be scheduled through Amanda at arooney@ca.cjis20.org. E-mail is Amanda's preferred method of scheduling hearings but you may also call to do so.

Generally, Judge Evans will not schedule motions for temporary relief for less than one hour - if a party is requesting a timesharing schedule and/or support, those motions usually cannot be completed in less time.

You cannot schedule a trial on your own. File a Notice for Trial and e-mail Amanda so she will know to put you on the docket for a Pre-Trial Conference.

Proposed orders should be e-mailed to Amanda for entry by the Judge. If you e-mail orders, do NOT also send hard copies.
